## HOW TO CITE RULES AND RSMO

### RULES

The rules are codified in the *Code of State Regulations* in this system–

Title		Division	Chapter	Rule
3	CSR	10-	4	.115
Department	<i>Code of State Regulations</i>	Agency Division	General area regulated	Specific area regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation, for example, 3 CSR 10-4.115 NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

**R**ules appearing under this heading are filed under the authority granted by section 536.025, RSMo 2000. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

**R**ules filed as emergency rules may be effective not less than ten (10) days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

**A**ll emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

Division 50—Missouri Ethics Commission  
Chapter 5—Committee Registration and Reporting**

**EMERGENCY RULE**

**1 CSR 50-5.010 Definitions**

*PURPOSE: This rule sets out the definitions of terms used in Chapter 1 CSR 50-5 of Missouri Ethics Commission to clarify registration and reporting requirements for certain types of committees.*

*EMERGENCY STATEMENT: The commission requests an emergency rule to take effect August 8, 2018 in order to preserve the compelling governmental interest of regulating campaign finance laws related to the November 6, 2018 general election. The rule sets out the definitions of terms used in Chapter 1 CSR 50-5 of Missouri Ethics Commission to clarify registration and reporting requirements for certain types of committees.*

*Mo. Const. Art. VIII, Section 23.3 provides for contribution limits to certain candidates and aggregate contributions to political parties for any one (1) election. Mo. Const. Art. VIII, Section 23.7(1) defines an election as "any primary, general or special election..." Section 130.041.2 (1), RSMo provides election cycles for candidates for purposes of determining aggregate contributions for a primary ending at 11:59 p.m. on the day of the primary election. Finally, Mo. Const. Art. VIII, Sections 23.7(6)(c) and 23.7(20) require that continuing and political action committees be formed no later than sixty (60) days prior to the election for which the committee receives con-*

*tributions or makes expenditures. The deadline for forming a continuing/political action committee is September 7, 2018. Because the rule will require federal political action committees to register and report with the State of Missouri if certain monetary thresholds are met, an effective date which begins with the election cycle for the November 6, 2018 general election will serve the compelling governmental interest of regulation of federal contributors and Missouri committees who wish to participate in the general election, and give federal political action committees appropriate time to meet the September 7, 2018 formation deadline.*

*The commission filed an order of rulemaking with JCAR on April 30, 2018 with the same content as this emergency rule. The earliest date that rule will take effect is August 30, 2018, after the beginning of the general election cycle, and one (1) week before the committee formation deadline to participate in the November general election.*

*This emergency rule follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances, follows procedures which comply with protections extended by the *Missouri* and *United States Constitutions*, and is limited to the circumstances creating the required emergency action by seeking an effective date to coincide with the beginning of an election cycle, and with sufficient time for federal political action committees which wish to participate in the November general election but will be required to register and report with the commission to timely form and register with the commission.*

*This emergency rule was filed April 30, 2018, becomes effective August 8, 2018, and expires on February 4, 2019.*

(1) As used in this chapter, the following terms mean:

(A) Committee domiciled outside of this state - a campaign finance committee registered according to the campaign finance disclosure laws of a state, other than the State of Missouri, or as a federal political action committee, as defined in this rule, which is registered and reporting with the Federal Election Commission;

(B) Federal political action committee - a political committee under 52 U.S.C. 30101(4) that is not an authorized committee of a federal candidate under 52 U.S.C. 30101(6) or a federal committee of a national, state, or local political party under 52 U.S.C. 30101(4)(C), (14), or (15);

(C) Commission - The Missouri Ethics Commission;

(D) Continuing committee/Political action committee - a committee defined as a continuing committee under Mo. Const. Art. VIII, section 23.7(6)(c) and section 130.011(10), RSMo, and Mo. Const. Art. VIII, section 23.7(20), or a political action committee under Mo. Const. Art. VIII, section 23.7(20);

(E) Domicile - the address of a committee listed on a statement of organization as defined in section 130.026.6, RSMo; and

(F) Out-of-state committee - a campaign finance committee registered according to the campaign finance disclosure laws of a state, other than the State of Missouri, or a federal political action committee as defined in this rule, which is registered and reporting with the Federal Election Commission.

*AUTHORITY: sections 105.955.14(7) and 105.961.3, RSMo 2016. Original rule filed Feb. 7, 2018. Emergency rule filed April 30, 2018, effective Aug. 8, 2018, expires Feb. 4, 2019.*

The earliest date that rule will take effect is August 30, 2018, after the beginning of the general election cycle, and one (1) week before the committee formation deadline to participate in the November general election.*

*This emergency rule follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances, follows procedures which comply with protections extended by the Missouri and United States Constitutions, and is limited to the circumstances creating the required emergency action by seeking an effective date to coincide with the beginning of an election cycle, and with sufficient time for federal political action committees which wish to participate in the November general election but will be required to register and report with the commission to timely form and register with the commission.*

The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

**E**ntirely new rules are printed without any special symbolology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

**A**n agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

**I**f an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

9. The State Milk Board or its agent should transport the three (3) milk samples on ice directly to an approved milk testing laboratory. The laboratory should be notified in advance and arrangements should be made to conduct the freeze point test. The sample collected at the end of the first milking and the sample collected prior to the beginning of the second milking should provide a freezing point of a variance not greater than  $-0.002$  degrees centigrade. There may be a slight variance in the two (2) samples as carbon dioxide in milk passes off as a gas between the night and morning milkings. If the variance is greater than  $-0.002$  degrees centigrade, the milk itself was altered between milkings by something other than the release of carbon dioxide. To prevent such an occurrence, the producer should lock the milk house door between these tested milkings; and

10. If the authentic freeze point procedure outlined in this regulation is used, the producer will document the procedure and provide documentation to the State Milk Board. The samples collected immediately after the two (2) milkings will be the official non-water freezing record for the producer. For enforcement purposes, the producer will be allowed a freezing point of  $-0.005$  degrees centigrade less than the results of the lowest number of the two (2) officially tested samples that were collected after the evening and morning milkings. Once established, the authentic freezing point will remain in effect for a producer until the producer's feeding program or herd is substantially changed.

### (3) [Antibiotic] Drug Residue Test.

(A) Whenever a(n antibiotic) drug residue test is found to be positive, the State Milk Board shall immediately suspend the producer's permit.

### (11) Farm Bulk Milk Collections.

(A) Farm bulk milk collections shall be made at least once every forty-eight (48) hours or every other day. Extended pickups may be granted by individual request to the executive secretary of the State Milk Board *[with information showing use of milk outside the Grade "A" market. This regulation is barring an act of God or other emergencies beyond the control of the hauler or producer.]* **provided the safety and quality of milk is maintained and the delayed collection does not extend beyond the limit allowed by law. In the event of a natural disaster or emergency limiting milk pickups beyond the control of the hauler or producer this regulation may be waived across specified geographic regions as needed.**

### (13) Distributors.

(A) This regulation affects inspection and permitting of distributors.

1. A distributor number is "D" plus the required number of digits in each contractee's permit number series.

2. "Distributor" is defined as an individual or company that handles finished dairy products beyond the responsibility of the dairy plant and prior to delivery to retailers and/or consumers and any milk processing plant-owned branch operation in which a permanent or mobile-milk cooler is operated.

3. Distribution permits shall be issued by the contractee responsible for the area in which the distributor is located.

4. Permanent branch or independent distributing points, such as milk coolers, *[shall]* **will** be inspected at least once each *[six (6)]* **twelve (12)** months according to the following current Grade "A" Pasteurized Milk Ordinance items:

- A. Item 2p. Walls and Ceilings – Construction;

- C. Item 7p. Water Supply;

- D. Item 8p. Handwashing Facilities;
- E. Item 15p. Protection from Contamination;
- F. Item 17p. Cooling of Milk and Milk Products;
- G. Item 20p. Personnel–Cleanliness;
- H. Item 21p. Vehicles; and
- I. Item 22p. Surroundings.

5. Mobile distributors *[shall]* **will** be inspected once every *[six (6)]* **twelve (12)** months and checked for the following current Grade "A" Pasteurized Milk Ordinance items:

- A. Item 15p. Protection from Contamination;
- B. Item 17p. Cooling of Milk and Milk Products;
- C. Item 20p. Personnel–Cleanliness;
- D. Item 21p. Vehicles; and
- E. Item 22p. Surroundings.

### (14) Sanitizers.

(B) The State Milk Board recognizes and accepts the use of certain quaternary ammonium compounds (QAC) as chemical sanitizers for milk contact surfaces provided the QAC meets the preceding requirements of policy 14, part 1-a, b, c, d, and 21 CFR 178.1010 with the exception: QACs are not acceptable sanitizers for sampling equipment. Since chlorhexidine is not listed in 21 CFR 178.1010, it is unacceptable as a sanitizer for dairy equipment, udders, and teats of dairy *[cows]* **animals**.

### (16) Transfer from One Milk Marketing Agency to Another.

(A) When a producer requests a transfer from one milk marketing agency to another, there is a mandatory three- *(3-)/-* day waiting period after receipt of the transfer requested by the contracted inspection agency excluding weekends and holidays. The three- *(3-)/-* day period may be waived when agreeable to both marketing agencies.

### (17) Barn Plans.

(B) Each approved barn plan must identify all equipment and show dimensions and location including pipe lengths and physical break locations. All location of equipment and dimensions must be clearly shown in accordance with the informational guide. Other facilities to be shown are: vestibule, feed room, toilet rooms, equipment storage, stanchions, operator pit, steps, location *[cows]* **dairy animals** enter and exit, type of barn, *[cow]* **dairy animal** holding area, and housing area when part of contingent construction.

(B) Outpatient cost-to-charge ratios will be as determined in the desk review of the base year cost reports. The hospital must provide the charges and cost-to-charge ratios by cost center for both Medicaid and Total (i.e., all payor types). The hospital must provide a breakdown of the amounts no longer reimbursed at a percentage of billed charges using a template developed by the division and available upon request. The template must be submitted to the division by April 1 of the current SFY for which the revised calculation of the outpatient percentage rate is requested. The hospital may be notified in writing of the revised outpatient percentage rate within sixty (60) days of receipt of the hospital's written request or within sixty (60) days of receipt of any additional documentation or clarification which may be required. If an adjustment is not otherwise limited or prohibited, the effective date of the change in the hospital's outpatient percentage rate shall be the first day of the month following the date of the division's final determination.

3. Costs and charges for the telehealth originating site fee reimbursed on a fee schedule shall be excluded when calculating

**Title 13—DEPARTMENT OF SOCIAL SERVICES  
Division 110—Division of Youth Services  
Chapter 2—Classification Services and Residential Care**

**PROPOSED AMENDMENT**

**13 CSR 110-2.050 Transfers [from One DYS Residential Facility to Another DYS Facility] Between DYS Residential and/or Community Based Programs.** The department is amending the title, purpose, and sections (1), (2), (3), and (4).

**PURPOSE:** This amendment updates the title to better capture the information provided in the rule. The amendment also updates language in the purpose and the amendments throughout. The amendment changes the timeframe for the regional administrator to make a decision on a request for administrative transfer from two (2) days to five (5) working days to allow additional time for review. The amendment changes the timeframe for the hearings officer to set a date for a vertical transfer hearing from seven (7) calendar days to fifteen (15) calendar days to allow more notification to be given to those wanting to attend. The amendment changes the timeframe for the hearing officer to notify the participants of the decisions on the vertical transfer hearing from two (2) working days to five (5) working days to allow additional time for review.

**PURPOSE:** [The purpose of t]This rule [is to] protects the rights and ensures the appropriate treatment of youth moved from one Division of Youth Services (DYS) [facility] program to another. The procedure is to be used if a youth has been inappropriately classified into a [facility] program or if the [facility] program is not meeting the youth's needs. [Residential care services are those services which provide twenty-four (24)-hour living accommodations and are operated by division employees. These facilities include group homes, park camps and institutions.]

(1) An administrative transfer may be effected when a change in placement, either interagency or intragency, may better serve the needs of the youth. An administrative transfer is a transfer from one (1) foster home to another, from one (1) community-based facility to another, or from one (1) [institution] medium or secure care facility to another.

(A) Such a transfer may be effected when one (1) or more of the following conditions are present:

1. An opening exists in a similar placement that is closer to the youth's home community;
2. A placement in a different area would provide access to a program(s) and that would be of special benefit to the youth; and
3. There is evidence the youth has potential to benefit from the program offered in his/her current placement but either internal or

external forces make it difficult for [him/her] them to obtain maximum value from the placement.

(B) The youth, [his/her] their parent(s) or guardian(s) or site supervisor or service coordinator may request an administrative transfer in writing to the regional administrator [and his/her] or their designee. The regional administrator or [his/her] their designee shall review the request and, if appropriate, [shall] authorize the transfer. In determining whether a transfer is appropriate, the following information as relevant in reaching a conclusion shall be considered:

1. Reasons offered both in support of and in opposition to the transfer;
2. Evaluation of the progress of the youth in the current placement; and
3. Availability of space in other programs and approval of the receiving facility manager. If this transfer is across regional lines, then the appropriate regional administrator or [his/her] their designee shall be involved.

(C) The regional administrator or [his/her] their designee shall notify, in writing, the youth, [his/her] their parent(s) or guardian(s), and site supervisor or service coordinator of the decision as to whether the transfer is approved or disapproved and the reason therefore. The decision shall be made within [two (2)] five (5) working days of the request and a copy of the transfer shall be included in the youth's case record.

(2) A vertical transfer is a transfer from a community-based program to any DYS residential program.

(A) A vertical transfer may be effected when—1) the youth poses a danger to the safety of other persons, [staff] employees, the site, or the community; or 2) the youth will benefit more from the program(s) offered at the recommended site than from the program(s) offered in the current placement.

(B) The following procedures must be followed [in order to effect] for a vertical transfer:

1. The youth, parent(s) or guardian(s), site supervisor, or service coordinator may request a transfer;
2. The request shall be in writing to the regional administrator or [his/her] their designee and shall state the reasons the transfer is being requested;

3. Upon receipt of the request, the regional administrator or [his/her] their designee shall appoint a hearing officer and one (1) or more parties who are neutral and objective to hold a hearing;

4. The hearing officer shall set a date for a hearing on the question of transfer. This hearing shall be held within [seven (7)] fifteen (15) calendar days from the date the request is received;

5. The youth, parent(s) or guardian(s) of the youth, and the site supervisor or service coordinator shall be given adequate and timely notice of the time and place of the hearing and of the reasons therefore, stated with specificity, that the transfer has been requested; and

6. The youth and the parent(s) or guardian(s) of the youth shall also be notified that the youth has the right to present evidence, to confront and cross-examine witnesses, and to remain silent at the hearing. Further, the youth shall have the right to request a staff member or a parent(s) or guardian(s) or attorney to represent him/her at this hearing.

(C) Only information introduced as evidence at the hearing shall be considered by the hearing officer(s). The following are considered relevant to the determination: the treatment needs of the youth; and whether other programs, either community-based or [institutional] residential, would provide a program(s) better suited to the needs of the youth.

(D) Within [two (2)] five (5) working days of the hearing, the hearing officer(s) shall notify, in writing, the youth, the parent(s) or guardian(s) of the youth, and the person who has physical custody of the youth of its decision and the reasons therefore.

(E) A vertical transfer shall not be authorized as punishment.

(3) An interagency transfer is a transfer from a program or facility operated by or under the control of the division to a program or facility operated by or under the control of another agency.

(B) The director or [his/her] **their** designee may authorize an interagency transfer if, after a careful examination of the youth's needs, [s/he] **they** determine[s] that the transfer should be effected. After a decision for transfer is made, the youth, [his/her] **their** parent(s) or guardian(s), and the service coordinator will be notified of the decision and the reasons for the transfer. One (1) copy of the notice will be retained in the youth's case record.

(4) Appeal of a Transfer Decision. When the decision is made to transfer the youth, the youth and the parent(s) or guardian(s) of the youth shall be notified of the right to petition the director for a hearing to review the decision in accordance with 219.051, RSMo [1994].

**16 CSR 20-2.115 Administration of Prior Non-LAGERS Retirement Plans**

*PURPOSE: This rule further defines the procedures to be used when a political subdivision and the Missouri Local Government Employees’ Retirement System (LAGERS) enter into an agreement for LAGERS to assume all duties and responsibilities for operating the political subdivision’s prior retirement plan pursuant to section 70.621, RSMo.*

(1) As used in this rule, the terms below shall be defined as follows:

(A) “LAGERS Plan” means a political subdivision’s active retirement benefit program with LAGERS; and

(B) “Legacy Plan” means a plan similar in purpose to LAGERS for which the political subdivision and LAGERS have entered into an agreement whereby LAGERS assumes all duties and responsibilities of operating the plan pursuant to 70.621, RSMo.

(2) When calculating an employer’s contribution rate pursuant to 70.730, RSMo when the employer and LAGERS have entered into an agreement for LAGERS to administer the member’s Legacy Plan, the following procedures shall be applied:

(A) For purposes of computing the employer contribution rates under section 70.730, RSMo, separate employer contribution rates will be computed for the LAGERS Plan and the Legacy Plan. The contribution rate for the Legacy Plan will be expressed as a dollar amount;

(B) For the purposes of calculating the limitation on increases to an employer’s contribution provided by subsection 6 of 70.730, RSMo, the employer contribution rate will be calculated as a combined employer contribution rate expressed as a percentage of total (i.e., LAGERS Plan plus Legacy Plan) payroll, including when the Legacy Plan has active members and when the Legacy Plan does not have active members. Both the LAGERS Plan contribution rate and the combined employer contribution rate shall be subject to the limitation on increases to an employer’s contribution rate;

(C) For the first year in which the Legacy Plan is operated by LAGERS, the limitation on increases in an employer’s contribution provided by subsection 6 of 70.730, RSMo shall not apply to any contribution increase; and

(D) The Board of Trustees may, in its sole discretion, elect to establish a fixed payment schedule for a Legacy Plan. At such time as a fixed payment schedule is established, a combined employer contribution rate, as described above in subsection (2)(B), will no longer be calculated and the employer contribution rate will again be expressed as a percentage of total LAGERS Plan payroll. For the first year in which a fixed payment schedule is established and the combined employer contribution rate is no longer calculated, the limitation on increases in an employer’s contribution provided by subsec-

tion 6 of 70.730, RSMo shall not apply to any contribution increase.

(3) An active, deferred, or retired member of a Legacy Plan shall not be eligible to hold the position of a member trustee on the LAGERS Board of Trustees, to serve as a member delegate to the LAGERS annual meeting, or to participate in the election of the member delegate to attend the LAGERS annual meeting. However, an active, deferred, or retired member of a Legacy Plan may be eligible to hold the position of an employer trustee on the LAGERS Board of Trustees or the trustee appointed by the governor, provided that he or she meets the other criteria for eligibility for those positions.

*AUTHORITY: sections 70.605.21 and 70.621.4, RSMo 2016. Original rule filed May 1, 2018.*

*PUBLIC COST: This proposed rule will not cost state agencies more than five hundred dollars (\$500) in the aggregate. This proposed rule may result in a savings or a cost in an undetermined amount to any political subdivision that voluntarily enters into an agreement with LAGERS for the administration of a legacy pension plan pursuant to section 70.621, RSMo.*

*PRIVATE COST: This proposed rule will not cost private entities more than five hundred dollars (\$500) in the aggregate.*

*NOTICE TO SUBMIT COMMENTS: Any interested person or entity may submit written comments in support of or in opposition to the proposed rule. Comments should be directed to the Missouri Local Government Employees’ Retirement System (LAGERS), Attn: Jason A. Paulsmeyer, Chief Counsel, PO Box 1665, Jefferson City, MO 65102. To be considered, comments must be received within thirty (30) days after publication of this notice in the Missouri Register. No public hearing is scheduled.*

**Chapter Title: 2- Administrative Rules**

<b>Rule Number and Name:</b>	16 CSR 20-2.115 Administration of Prior Non-LAGERS Retirement Plan
<b>Type of Rulemaking:</b>	Proposed Amendment

**II. SUMMARY OF FISCAL IMPACT**

Affected Agency or Political Subdivision	Estimated Cost of Compliance in the Aggregate
Any Political Subdivision entering into agreement with LAGERS for the administration of a legacy pension plan pursuant to section 70.621, RSMo.	Any cost or savings to each political subdivision will be unique to the subdivision and will be determined by actuarial calculation at the time of election to transfer administration of the legacy plan to LAGERS. Because each legacy plan is unique, and further because an employer's contribution depends on the legacy plan's funding status when an employer elects to transfer administration, the cost, if any, cannot be know at this time.  This cost/savings is subject to a 45 day public information period prior to final adoption by a subdivision pursuant to section 105.675, RSMo.

**III. WORKSHEET****IV. ASSUMPTIONS**

It is assumed that the transfer of administration of a legacy pension plan to LAGERS is voluntary and must be made by a majority vote of the governing body of the political subdivision pursuant to 70.621, RSMo.

It is also assumed that any cost an employer incurs as a result of funding a legacy plan administered by LAGERS would not fiscally impact any other employer in the LAGERS system.

**ORDER OF RULEMAKING**

By the authority vested in the Missouri Dental Board under section 332.031, RSMo 2016, the board rescinds a rule as follows:

**20 CSR 2110-2.110 Addressing the Public—Dentists is rescinded.**

A notice of proposed rulemaking containing the proposed rescission was published in the *Missouri Register* on January 2, 2018 (43 MoReg 10). No changes have been made in the proposed rescission, so it is not reprinted here. This proposed rescission becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The public comment period ended on February 2, 2018. The board received twenty-one (21) timely written comments in response to the proposed rescission.

COMMENT #1: Dr. Michael G. Durbin, on behalf of the Missouri Society of Orthodontists (MSO) as well as the American Association of Orthodontists (AAO), voiced opposition to the proposed rescission. Dr. Durbin's concerns are that rescinding the rule would not provide a definition of what constitutes advertising so some dentists may view certain communication mediums as non-advertising and unknowingly advertise inappropriately to the public which could mislead the public. Dr. Durbin also expressed concern that rescinding the rule would eliminate the requirement that a dentist's name be included in the advertisement enabling an office to advertise without the public knowing who the dentist was advertising the service. Dr. Durbin also expressed concern that rescinding the rule would remove provision allowing dentists to list degree credentials such as D.D.S. and D.M.D. or other credentials potentially creating scenarios where dentists could unknowingly advertise inappropriately and the public would be misled. Another concern Dr. Durbin expressed was that rescinding the rule would eliminate the requirement that general dentists identify that they are general dentists using print equal to or larger than the announcement of services, and clearly audible, with speech volume and pace equal to the announcement of services. Dr. Durbin also expressed concern that rescinding the rule would eliminate the requirement that general dentists use a disclaimer when advertising specialty services. Dr. Durbin identified this requirement as 20 CSR 2110-2.110(7). Dr. Durbin also expressed concern that rescinding the rule would eliminate the provisions requiring dentist who are advertising the availability and price of goods, appliances, or services to do so in a clear and non-deceptive manner and prohibiting deceptive advertisements of free services or offers of discounts or credit towards services. Finally Dr. Durbin expressed concern that rescinding the rule could create a situation where dentists could publish dental health articles, messages, or newsletters in a manner that is false, misleading, or deceptive to the public by not truthfully disclosing the source and authorship, or designing the article to give rise to questionable expectations for the purpose of inducing the public to utilize the services of the sponsoring dentist.

RESPONSE: The Missouri Dental Board appreciates Dr. Durbin's input regarding the proposed rescission; however the board does not agree with his concerns. Section 332.321.2(14), RSMo, prohibits dentists from advertising in a way that is false, misleading, or deceptive to the public and provides examples of actions that are considered false, misleading, or deceptive. While the statute does not contain a specific list defining that advertising means a communication between a dentist or dental office and the public and does not provide limited examples such as business cards, signs, web pages, Internet communications, radio, television, newspaper, and magazine ads, the board feels like this is a common sense issue and that dentists are able to recognize without such a definition that if they are communicating the availability of services to the public they are advertising. The board also does not agree that the requirement for advertisements to contain the name of a dentist is essential for public protection. Not having a dentist's name listed does not automatically make the advertisement false, misleading, or deceptive. Likewise, the board does not agree that the provision allowing dentists to use credentials such as D.D.S., D.M.D., doctor, or other titles is necessary to protect the public. The same authorization is found in section 332.071(9), RSMo, which authorizes a dentist to use the titles or words "Doctor", "Dentist", "Dr.", "D.D.S.", or "D.M.D.", or

any other letters, titles, degrees, or descriptive matter which directly or indirectly indicate or imply that the person is willing or able to perform any type of dental service for any person or persons, or uses or permits the use of for the person's benefit or for the benefit of any other person or other entity any card, directory, poster, sign, or any other means by which the person indicates, implies, or represents that the person is willing or able to perform any type of dental services or operation for any person." The board believes Dr. Durbin is incorrect about 20 CSR 2110-2.110(7) requiring general dentists to use a disclaimer when advertising specialty services. 20 CSR 2110-2.110(7) requires any dentist to use a disclaimer if advertising a non-ADA recognized specialty area. The protection Dr. Durbin is concerned about is actually found in statute. Section 332.321.2(14)(f), RSMo, requires that a general dentist who advertises any of the terms denoting recognized specialties, or other descriptive terms carrying the same meaning must use a disclaimer specifically prescribed by the statute denoting that the dentist advertising the specialty service is not a specialist. The statute, which is not being changed, appears to provide the protection Dr. Durbin is seeking. Additionally, Section 332.321.2(14)(g), RSMo, explicitly prohibits dentists from advertising non-ADA recognized specialty areas further nullifying the need for 20 CSR 2110-2.110(7), RSMo. Dr. Durbin's concern about requiring general dentists to dentists identify that they are general dentists using print equal to or larger than the announcement of services, and clearly audible, with speech volume and pace equal to the announcement of services would also appear to be related to his concern about general dentists advertising specialty services. Again, the protection Dr. Durbin is seeking is found in section 332.321.2(14), RSMo. Additionally, requiring the identification of a dentist as a general dentist in print equal to or larger than the announcement of services, and with speech volume and pace equal to the announcement of services would seem to be unduly burdensome and cost prohibitive for dentist wishing to advertise services that they can lawfully provide. The board also believes that the concerns Dr. Durbin expressed regarding requiring non-deceptive advertising of the price and availability of goods, appliances, or services as well as prohibiting deceptive advertisements of free services or offers of discounts or credit towards services is well covered by existing statute. Section 332.321.2(14)(b),(c) and (d), RSMo, expressly prohibit false, misleading, or deceptive advertising of free services, reduced costs or greater savings, or the advertisement of fees. If a dentist is advertising fees, free services or the price and availability of goods, appliances or services in a way that is false, misleading, or deceptive, section 332.321.2(14), RSMo, states that is illegal and the dentist engaging in such activity may be subject to discipline. Finally, the board does not agree that it is necessary to have a regulation defining a dental health article, message, or newsletter under a dentist's byline that does not make truthful disclosure of the author/source or is designed to give rise to questionable expectations for the purpose of inducing the public to utilize a dentist's/dental hygienist's services as false, misleading, or deceptive. Basic logic would seem to indicate that an advertisement employing such tactics would be false, misleading, or deceptive and therefore illegal in accordance with section 332.321.2(14), RSMo. The board does not believe that the public is truly further protected by this rule beyond the protections provided in section 332.321.2(14), RSMo, against false, misleading, or deceptive advertisements. The 5th U.S. Circuit Court of Appeals in upholding a 2016 ruling against the Texas Dental Board affirmed a lower court's ruling that restrictions against advertising a lawful activity in a way that was not misleading is a violation of First Amendment protected commercial free speech. There are restrictions in this rule that would seem to be problematic with that ruling and are not essential to the health, safety, or welfare of Missouri residents. The board believes that this rule does not meet the criteria set forth in section 3(c) of Executive Order 17-03 in that it is not essential to the health, safety, or welfare of Missouri residents and that it unduly and adversely affects the competitive environment in Missouri. Therefore in accordance with the explicit

instructions of section 3(d) of Executive Order 17-03, the board is seeking to rescind this rule. No change has been made in response to the comment.

**COMMENT #2:** Vincent Rapini, D.D.S., on behalf of the Missouri Dental Association (MDA), voiced opposition to the proposed rescission. Dr. Rapini indicated concern that rescinding the rule would eliminate the definition of advertising. He also expressed concern that rescinding the rule would eliminate the requirement that a dentist's name be included in the advertisement as well as the requirement that general dentists identify their practice as one of general dentistry. Dr. Rapini also expressed concern that rescinding the rule would remove the restrictions regarding advertisements of non-ADA recognized specialty areas. He also expressed concern that rescinding the rule would eliminate the restrictions prohibiting dentists from advertising sedation services if the dentist has not obtained a permit authorizing him or her to perform sedation services. Dr. Rapini expressed concern that rescinding the rule could enable dentists to use an offer of free services as part of a "bait and switch" scheme to sell other services to patients which they may not have been seeking. Finally, Dr. Rapini also expressed concern that rescinding the rule would eliminate the provision that prevents a dentist from advertising without truthfully disclosing the source of authority of the information contained in dental health articles, messages, or newsletters and potentially enticing patients to select that dentist's services, without providing information that allows the patient to determine whether the dentist actually is licensed in the specialty which may be implied by the article, advertisement, or message.

**RESPONSE:** The Missouri Dental Board appreciates Dr. Rapini's input regarding the proposed rescission; however the board does not agree with his concerns. Section 332.321.2(14), RSMo, prohibits dentists from advertising in a way that is false, misleading, or deceptive to the public and provides examples of actions that are considered false, misleading, or deceptive. While the statute does not contain a specific list defining that advertising means a communication between a dentist or dental office and the public and does not provide limited examples such as business cards, signs, web pages, Internet communications, radio, television, newspaper, and magazine ads, the board feels like this is a common sense issue and that dentists are able to recognize without such a definition that if they are communicating the availability of services to the public they are advertising. Dr. Rapini's concern about requiring general dentists to dentists identify that they are general dentists using print equal to or larger than the announcement of services, and clearly audible, with speech volume and pace equal to the announcement of services would also appear to be related to a concern about general dentists advertising specialty services. The protection Dr. Rapini is concerned about is actually found in statute. Section 332.321.2(14)(f), RSMo, requires that a general dentist who advertises any of the terms denoting recognized specialties, or other descriptive terms carrying the same meaning must use a disclaimer specifically prescribed by the statute denoting that the dentist advertising the specialty service is not a specialist. The statute, which is

not being changed, appears to provide the protection Dr. Rapini is seeking. The board does not agree that a regulation regarding dentists advertising non-ADA recognized specialty areas in necessary since section 332.321.2(14)(g), RSMo, explicitly prohibits dentists from advertising non-ADA recognized specialty areas. Likewise, Dr. Rapini's concerns regarding dentists creating "bait and switch" schemes through the advertising of free services would seem to be addressed by section 332.321.2(14)(b), RSMo, which prohibits misleading or deceptive statement offering or promising free services. Finally, the board does not agree with Dr. Rapini's concerns that it is necessary to have a regulation defining a dental health article, message, or newsletter under a dentist's byline that does not make truthful disclosure of the author/source or is designed to give rise to questionable expectations for the purpose inducing the public to utilize a dentist's services as false, misleading, or deceptive is necessary. Basic logic would seem to indicate that an advertisement employing such tactics would be false, misleading, or deceptive and therefore illegal in accordance with section 332.321.2(14), RSMo. The board does not believe that the public is truly further protected by this rule beyond the protections provided in section 332.321.2(14), RSMo, against false, misleading or deceptive advertisements. Therefore in accordance with the explicit instructions of section 3(d) of Executive Order 17-03, the board is seeking to rescind this rule. No change has been made in response to the comment.

**COMMENT #3:** Orthodontist David Blackburn, D.M.D., voiced general opposition to the proposed rescission citing a need for truthful and honest advertising in dentistry.

**RESPONSE:** The Missouri Dental Board appreciates Dr. Blackburn's input regarding the proposed rescission; however the board does not agree that this rule is necessary in fulfilling the board's mission of protecting the public. Section 332.321.2(14), RSMo, prohibits dentists from advertising in a way that is false, misleading, or deceptive to the public and provides examples of actions that are considered false, misleading, or deceptive. The board does not believe that the public is truly further protected by this rule beyond the protections provided in section 332.321.2(14), RSMo, against false, misleading, or deceptive advertisements. The board believes that this rule does not meet the criteria set forth in Section 3(c) of Executive Order 17-03. Therefore in accordance with the explicit instructions of section 3(d) of the Executive Order, the board is seeking to rescind this rule. No change has been made in response to the comment.

**COMMENT #4:** Melanie Bogart, employee of Blackburn & Elrod Orthodontists, voiced opposition to the proposed rescission citing a concern that rescinding the rule would allow dentist who are not licensed as specialists to advertise specialty services.

**RESPONSE:** The board disagrees that rescinding the rule will enable dentists who are not licensed as specialists to advertise specialty services. Section 332.321.2(14)(e), RSMo, explicitly prohibits dentists from using the term "specialist" or the phrase "limited to the specialty of" unless the dentist named in conjunction with the term or phrase, or responsible for the announcement, holds a valid Missouri certificate and license as a specialist in that area. Additionally, section 332.321.2(14)(f), RSMo, requires that a general dentist who advertises any of the terms denoting recognized specialties, or other descriptive terms carrying the same meaning must use a disclaimer

specifically prescribed by the statute denoting that the dentist advertising the specialty service is not a specialist. The statute, which is not being changed, appears to provide the protection being sought. No change has been made in response to the comment.

**COMMENT #5:** Patti Herzog, employee of Blackburn & Elrod Orthodontists, voiced general opposition to the proposed rescission citing a need for truthful and honest advertising in dentistry.

**RESPONSE:** The Missouri Dental Board appreciates Ms. Herzog's input regarding the proposed rescission; however the board does not agree that this rule is necessary in fulfilling the board's mission of protecting the public. Section 332.321.2(14), RSMo, prohibits dentists from advertising in a way that is false, misleading, or deceptive to the public and provides examples of actions that are considered false, misleading, or deceptive. The board does not believe that the public is truly further protected by this rule beyond the protections provided in section 332.321.2(14), RSMo, against false, misleading, or deceptive advertisements. Therefore in accordance with the explicit instructions of section 3(d) of the Executive Order, the board is seeking to rescind this rule. No change has been made in response to the comment.

**COMMENT #6:** Jennifer Arnzen, employee of Blackburn & Elrod Orthodontists, voiced opposition to the proposed rescission citing a concern that rescinding the rule would allow dentist who are not licensed as specialists to advertise specialty services.

**RESPONSE:** The board disagrees that rescinding the rule will enable dentists who are not licensed as specialists to advertise specialty services. Section 332.321.2(14)(e), RSMo, explicitly prohibits dentists from using the term "specialist" or the phrase "limited to the specialty of" unless the dentist named in conjunction with the term or phrase, or responsible for the announcement, holds a valid Missouri certificate and license as a specialist in that area. Additionally, section 332.321.2(14)(f), RSMo, requires that a general dentist who advertises any of the terms denoting recognized specialties, or other descriptive terms carrying the same meaning must use a disclaimer specifically prescribed by the statute denoting that the dentist advertising the specialty service is not a specialist. The statute, which is not being changed, appears to provide the protection being sought. No change has been made in response to the comment.

**COMMENT #7:** James and Elizabeth Hester, voiced general opposition to the proposed rescission citing a need for truthful and honest advertising in dentistry.

**RESPONSE:** The Missouri Dental Board appreciates Mr. and Mrs. Hester's input regarding the proposed rescission; however the board does not agree that this rule is necessary in fulfilling the board's mission of protecting the public. Section 332.321.2(14), RSMo, prohibits dentists from advertising in a way that is false, misleading, or deceptive to the public and provides examples of actions that are considered false, misleading, or deceptive. **COMMENT #8:** Orthodontist Neil Kanning, D.M.D., voiced opposition to the proposed rescission expressing a concern that rescinding the rule would enable providers who are not licensed as specialists to advertise as a specialist in a particular field.

**RESPONSE:** The board disagrees that rescinding the rule will enable dentists who are not licensed as specialists to advertise specialty services. Section 332.321.2(14)(e), RSMo, explicitly prohibits dentists from using the term "specialist" or the phrase "limited to the specialty

of” unless the dentist named in conjunction with the term or phrase, or responsible for the announcement, holds a valid Missouri certificate and license as a specialist in that area. **COMMENT #9:** Orthodontist David Lebsack, D.D.S., voiced opposition to the proposed rescission expressing a concern that rescinding the rule would enable providers who are not licensed as specialists to advertise as a specialist in a particular field.

**COMMENT #12:** Orthodontist Alex Oldroyd, D.M.D., voiced opposition to the proposed rescission expressing a concern that rescinding the rule would enable providers who are not licensed as specialists to advertise as a specialist in a particular field.

**RESPONSE:** The board disagrees that rescinding the rule will enable dentists who are not licensed as specialists to advertise specialty services. Section 332.321.2(14)(e), RSMo, explicitly prohibits dentists from using the term “specialist” or the phrase “limited to the specialty of” unless the dentist named in conjunction with the term or phrase, or responsible for the announcement, holds a valid Missouri certificate and license as a specialist in that area. Additionally, section 332.321.2(14)(f), RSMo, requires that a general dentist who advertises any of the terms denoting recognized specialties, or other descriptive terms carrying the same meaning must use a disclaimer specifically prescribed by the statute denoting that the dentist advertising the specialty service is not a specialist. The statute, which is not being changed, appears to provide the protection being sought. No change has been made in response to the comment.

**COMMENT #13:** Orthodontist John W. Tabash, D.D.S., voiced opposition to the proposed rescission expressing a concern that rescinding the rule would enable providers who are not licensed as specialists to advertise as a specialist in a particular field.

**COMMENT #14:** Orthodontist Robert B. Pickard, D.D.S., voiced opposition to the proposed rescission expressing a concern that rescinding the rule would enable providers who are not licensed as specialists to advertise as a specialist in a particular field.

**RESPONSE:** The board disagrees that rescinding the rule will enable dentists who are not licensed as specialists to advertise specialty services. Section 332.321.2(14)(e), RSMo, explicitly prohibits dentists from using the term “specialist” or the phrase “limited to the specialty of” unless the dentist named in conjunction with the term or phrase, or responsible for the announcement, holds a valid Missouri certificate and license as a specialist in that area. **COMMENT #15:** Orthodontist Michael R. LaFerla, D.D.S., President of the Missouri Society of Orthodontists voiced opposition to the proposed rescission expressing a concern that rescinding the rule would enable providers who are not licensed as specialists to advertise as a specialist in a particular field and a need for truthful and honest advertising in dentistry.

**RESPONSE:** The board disagrees that rescinding the rule will enable dentists who are not licensed as specialists to advertise specialty services. Section 332.321.2(14)(e), RSMo, explicitly prohibits dentists from using the term “specialist” or the phrase “limited to the specialty of” unless the dentist named in conjunction with the term or

phrase, or responsible for the announcement, holds a valid Missouri certificate and license as a specialist in that area. Additionally, section 332.321.2(14)(f), RSMo, requires that a general dentist who advertises any of the terms denoting recognized specialties, or other descriptive terms carrying the same meaning must use a disclaimer specifically prescribed by the statute denoting that the dentist advertising the specialty service is not a specialist. The statute, which is not being changed, appears to provide the protection being sought. Additionally, the board does not agree that this rule is necessary in fulfilling the board's mission of protecting the public. Section 332.321.2(14), RSMo, prohibits dentists from advertising in a way that is false, misleading, or deceptive to the public and provides examples of actions that are considered false, misleading, or deceptive. The board does not believe that the public is truly further protected by this rule beyond the protections provided in section 332.321.2(14), RSMo, against false, misleading, or deceptive advertisements. The board believes that this rule does not meet the criteria set forth in section 3(c) of Executive Order 17-03. Therefore in accordance with the explicit instructions of Section 3(d) of the Executive Order, the board is seeking to rescind this rule. No change has been made in response to the comment.

**COMMENT #16:** Orthodontist Dennis J. Brady, D.D.S., voiced general opposition to the proposed rescission citing concerns regarding public confusion.

**RESPONSE:** The Missouri Dental Board appreciates Dr. Brady's input regarding the proposed rescission; however the board does not agree that this rule is necessary in fulfilling the board's mission of protecting the public. Section 332.321.2(14), RSMo, prohibits dentists from advertising in a way that is false, misleading, or deceptive to the public and provides examples of actions that are considered false, misleading, or deceptive. The board does not believe that the public is truly further protected by this rule beyond the protections provided in section 332.321.2(14) RSMo, against false, misleading, or deceptive advertisements. The board believes that this rule does not meet the criteria set forth in section 3(c) of Executive Order 17-03. Therefore in accordance with the explicit instructions of section 3(d) of Executive Order 17-03, the board is seeking to rescind this rule. No change has been made in response to the comment.

**COMMENT #17:** Orthodontist Angela Williams, D.D.S., voiced general opposition to the proposed rescission citing concerns regarding public confusion.

**RESPONSE:** The Missouri Dental Board appreciates Dr. Williams' input regarding the proposed rescission; however the board does not agree that this rule is necessary in fulfilling the board's mission of protecting the public. Section 332.321.2(14), RSMo, prohibits dentists from advertising in a way that is false, misleading, or deceptive to the public and provides examples of actions that are considered false, misleading or deceptive. The board does not believe that the public is truly further protected by this rule beyond the protections provided in section 332.321.2(14), RSMo, against false, misleading, or deceptive advertisements. The board believes that this rule does not meet the criteria set forth in section 3(c) of Executive Order 17-03. Therefore in accordance with the explicit instructions of section 3(d) of Executive Order 17-03, the board is seeking to rescind this rule. No change has been made in response to the comment.

**COMMENT #18:** Orthodontist Jacqueline Demko, D.D.S., voiced general opposition to the proposed rescission citing concerns regarding public confusion.

**RESPONSE:** The Missouri Dental Board appreciates Dr. Demko's input regarding the proposed rescission; however the board does not agree that this rule is necessary in fulfilling the board's mission of protecting the public. Section 332.321.2(14), RSMo, prohibits dentists from advertising in a way that is false, misleading, or deceptive to the public and provides examples of actions that are considered false, misleading, or deceptive. The board does not believe that the

public is truly further protected by this rule beyond the protections provided in section 332.321.2(14), RSMo, against false, misleading, or deceptive advertisements. The board believes that this rule does not meet the criteria set forth in section 3(c) of Executive Order 17-03. Therefore in accordance with the explicit instructions of section 3(d) of Executive Order 17-03, the board is seeking to rescind this rule. No change has been made in response to the comment.

**COMMENT #19:** Periodontist Stephen C. Snitzer, D.D.S., voiced general opposition to the proposed rescission citing a need to protect the public from unscrupulous practitioners that would misrepresent themselves.

**RESPONSE:** The Missouri Dental Board appreciates Dr. Snitzer's input regarding the proposed rescission; however the board does not agree that this rule is necessary in fulfilling the board's mission of protecting the public. Section 332.321.2(14), RSMo, prohibits dentists from advertising in a way that is false, misleading, or deceptive to the public and provides examples of actions that are considered false, misleading, or deceptive. The board does not believe that the public is truly further protected by this rule beyond the protections provided in section 332.321.2(14) RSMo, against false, misleading, or deceptive advertisements. The board believes that this rule does not meet the criteria set forth in section 3(c) of Executive Order 17-03. Therefore in accordance with the explicit instructions of section 3(d) of Executive Order 17-03, the board is seeking to rescind this rule. No change has been made in response to the comment.

**COMMENT #20:** General Dentist H. Fred Christman, D.D.S., voiced general opposition to the proposed rescission citing a need to protect the profession from unethical behavior.

**RESPONSE:** The Missouri Dental Board appreciates Dr. Christman's input regarding the proposed rescission; however the board does not agree that this rule is necessary in fulfilling the board's mission of protecting the public. Section 332.321.2(14), RSMo, prohibits dentists from advertising in a way that is false, misleading, or deceptive to the public and provides examples of actions that are considered false, misleading, or deceptive. The board does not believe that the public is truly further protected by this rule beyond the protections provided in section 332.321.2(14) RSMo, against false, misleading, or deceptive advertisements. The board believes that this rule does not meet the criteria set forth in section 3(c) of Executive Order 17-03. Therefore in accordance with the explicit instructions of section 3(d) of Executive Order 17-03, the board is seeking to rescind this rule. No change has been made in response to the comment.

**COMMENT #21:** General Dentist Michael J. Hoffmann, D.D.S., voiced opposition to the proposed rescission expressing a concern that rescinding the rule would enable providers who are not licensed as specialists to advertise as a specialist in a particular field or to advertise non-ADA recognized specialties.

**RESPONSE:** The Missouri Dental Board appreciates Dr. Hoffmann's input regarding the proposed rescission; however the board disagrees that rescinding the rule will enable dentists who are not licensed as specialists to advertise specialty services. Section 332.321.2(14)(e), RSMo, explicitly prohibits dentists from using the term "specialist" or the phrase "limited to the specialty of" unless the dentist named in conjunction with the term or phrase, or responsible for the announcement, holds a valid Missouri certificate and license as a specialist in that area. Additionally, section 332.321.2(14)(f), RSMo, requires that a general dentist who advertises any of the terms denoting recognized specialties, or other descriptive terms carrying the same meaning must use a disclaimer specifically prescribed by the statute denoting that the dentist advertising the specialty service is not a specialist. Furthermore, section 332.321.2(14)(g), RSMo, explicitly prohibits dentists from advertising non-ADA recognized specialty areas. The statute, which is not being changed, appears to provide the protection being sought. No change has been made in response to the comment.

**Title 20—DEPARTMENT OF INSURANCE,  
FINANCIAL INSTITUTIONS AND PROFESSIONAL  
REGISTRATION  
Division 2110—Missouri Dental Board  
Chapter 2—General Rules**

**ORDER OF RULEMAKING**

By the authority vested in the Missouri Dental Board under section 332.031, RSMo 2016, the board rescinds a rule as follows:

**20 CSR 2110-2.111 Addressing the Public—Dental Hygienists  
is rescinded.**

A notice of proposed rulemaking containing the proposed rescission was published in the *Missouri Register* on January 2, 2018 (43 MoReg 10). No changes have been made in the proposed rescission, so it is not reprinted here. This proposed rescission becomes effective thirty (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** The public comment period ended on February 2, 2018. The board received four (4) timely written comments in response to the proposed rescission.

**COMMENT #1:** Dr. Michael G. Durbin, on behalf of the Missouri Society of Orthodontists (MSO) as well as the American Association of Orthodontists (AAO), voiced opposition to the proposed rescission. Dr. Durbin's concerns are that rescinding the rule would not provide a definition of what constitutes advertising so some dental hygienists may view certain communication mediums as non-advertising and advertise inappropriately to the public which could mislead the public. Dr. Durbin also expressed concern that rescinding the rule would allow dental hygienists to advertise their services directly to the public without the public knowing which dentist employs or supervises the dental hygienist. Dr. Durbin also expressed concern that rescinding the rule would remove the restriction prohibiting dental hygienists who are about to change employers from notifying patients that they are changing employers. Finally Dr. Durbin expressed concern that rescinding the rule could create a situation where dental hygienists could publish dental health articles, messages, or newsletters in a manner that is false, misleading, or deceptive to the public by not truthfully disclosing the source and authorship, or designing the article to give rise to questionable expectations for the purpose of inducing the public to utilize the services of the sponsoring dental hygienist and/or the dentist who employs and/or supervises the hygienist.

**RESPONSE:** The Missouri Dental Board appreciates Dr. Durbin's input regarding the proposed rescission; however the board does not agree with his concerns. Section 332.321.2(14), RSMo, prohibits dental hygienists from advertising in a way that is false, misleading, or deceptive to the public and provides examples of actions that are considered false, misleading, or deceptive. While the statute does not contain a specific list defining that advertising means a communication between a dental hygienist and the public and does not provide limited examples such as business cards, signs, web pages, Internet communications, radio, television, newspaper and magazine ads, the board feels like this is a simple common sense issue and that dental hygienists are able to recognize without such a definition that if they are communicating the availability of services to the public they are advertising. The board also does not agree that the requirement for advertisements from a dental hygienist to contain the name of the employing/supervising dentist is necessary for public protection. If the dental hygienist is working in a public health setting pursuant to section 332.311.2, RSMo, there is no employing/supervising dentist. The rule specifically allows dental hygienists working without an employing/supervising dentist pursuant to section 332.311.2, RSMo, to advertise their services while requiring the dental hygienist

employed/supervised by a dentist to list that dentist. The board does not agree that one scenario is automatically false, misleading, or deceptive and the other is not. The board also does not agree that the restriction prohibiting dental hygienists from notifying patients that they are leaving one dental practice and joining another dental practice is necessary for protection of the public. This restriction is clearly intended to protect the dentist whose employment the dental hygienist is leaving and not the public. The board argues that this restriction creates scenarios where patients will have gone to an office and seen a dental hygienist for their care and return to that office thinking that the same hygienist will be treating them only to find that someone else will now be providing their care. This scenario would seem to be much more false, misleading, and/or deceptive to the public than a dental hygienist notifying patients that he/she will no longer be working at a particular office. Finally, the board does not agree that it is necessary to have a regulation defining a dental health article, message, or newsletter under a dental hygienists byline that does not make truthful disclosure of the author/source or is designed to give rise to questionable expectations for the purpose of inducing the public to utilize a dentist's/dental hygienist's services as false, misleading, or deceptive. Basic logic would seem to indicate that an advertisement employing such tactics would be false, misleading, or deceptive and therefore illegal in accordance with section 332.321.2(14), RSMo. The board does not believe that the public is truly further protected by this rule beyond the protections provided in section 332.321.2(14), RSMo, against false, misleading, or deceptive advertisements. The 5th U.S. Circuit Court of Appeals in upholding a 2016 ruling against the Texas Dental Board affirmed a lower court's ruling that restrictions against advertising a lawful activity in a way that was not misleading is a violation of First Amendment protected commercial free speech. There are restrictions in this rule that would seem to be problematic with that ruling and are not essential to the health, safety, or welfare of Missouri residents. The board believes that this rule does not meet the criteria set forth in section 3(c) of Executive Order 17-03. Therefore in accordance with the explicit instructions of section 3(d) of the Executive Order, the board is seeking to rescind this rule. No change has been made in response to the comment.

**COMMENT #2:** Vincent Rapini, D.D.S., on behalf of the Missouri Dental Association (MDA) voiced opposition to the proposed rescission. Dr. Rapini stated that many of the concerns that he had with this proposed rescission were the same as concerns he is expressing with the proposed rescission of 20 CSR 2110-2.110. He did not list any of those specific concerns that applied to both proposals. Dr. Rapini did express specific concerns that rescinding the rule would remove the restriction prohibiting dental hygienists who are about to change employers from notifying patients that they are changing employers. Dr. Rapini stated that this could create situations where the dentist hiring away the hygienist may pay that hygienist to refer patients to the new employing dentist in violation of state and federal law. Dr. Rapini also expressed concern that rescinding the entire rule would eliminate the provision that prevents a dental hygienist from advertising without truthfully disclosing the source of authority of the information contained in dental health articles, messages, or newsletters.

**RESPONSE:** The Missouri Dental Board appreciates Dr. Rapini's input regarding the proposed rescission; however the board does not agree with his concerns. The first of the two (2) specific concerns Dr. Rapini expressed with this proposed rescission is that rescinding the rule could theoretically create situations where a dentist could pay a dental hygienist for referring new patients in violation of state and federal law. If the activity Dr. Rapini is concerned about is made illegal by both state and federal law, the board does not feel that the public is any further protected by the provision in the rule that Dr. Rapini is referring to. The board does not agree that the restriction prohibiting dental hygienists from notifying patients that they are leaving one dental practice and joining another dental practice is necessary for

protection of the public. This restriction seems clearly intended to protect the dentist whose employment the dental hygienist is leaving and not the public. The board argues that this restriction creates scenarios where patients will have gone to an office and seen a dental hygienist for their care and return to that office thinking that the same hygienist will be treating them only to find that someone else will now be providing their care. This scenario would seem to be much more false, misleading, and/or deceptive to the public than a dental hygienist notifying patients that he/she will no longer be working at a particular office. Finally, the board does not agree with Dr. Rapini's concerns that it is necessary to have a regulation defining a dental health article, message, or newsletter under a dental hygienists byline that does not make truthful disclosure of the author/source or is designed to give rise to questionable expectations for the purpose of inducing the public to utilize a dentist's/dental hygienist's services as false, misleading, or deceptive is necessary. Basic logic would seem to indicate that an advertisement employing such tactics would be false, misleading, or deceptive and therefore illegal in accordance with section 332.321.2(14), RSMo. The board does not believe that the public is truly further protected by this rule beyond the protections provided in section 332.321.2(14), RSMo, against false, misleading, or deceptive advertisements. The 5th U.S. Circuit Court of Appeals in upholding a 2016 ruling against the Texas Dental Board affirmed a lower court's ruling that restrictions against advertising a lawful activity in a way that was not misleading is a violation of First Amendment protected commercial free speech. There are restrictions in this rule that would seem to be problematic with that ruling and are not essential to the health, safety, or welfare of Missouri residents. The board believes that this rule does not meet the criteria set forth in section 3(c) of Executive Order 17-03. Therefore in accordance with the explicit instructions of section 3(d) of the Executive Order, the board is seeking to rescind this rule. No change has been made in response to the comment.

COMMENT #3: Orthodontist David Blackburn, D.M.D. voiced general opposition to the proposed rescission citing a need for truthful and honest advertising in dentistry.

RESPONSE: The Missouri Dental Board appreciates Dr. Blackburn's input regarding the proposed rescission; however the board does not agree that this rule is necessary in fulfilling the board's mission of protecting the public. Section 332.321.2(14), RSMo, prohibits dental hygienists from advertising in a way that is false, misleading, or deceptive to the public and provides examples of actions that are considered false, misleading, or deceptive. The board does not believe that the public is truly further protected by this rule beyond the protections provided in section 332.321.2(14), RSMo, against false, misleading, or deceptive advertisements. The board believes that this rule does not meet the criteria set forth in section 3(c) of Executive Order 17-03. Therefore in accordance with the explicit instructions of section 3(d) of the Executive Order, the board is seeking to rescind this rule. No change has been made in response to the comment.

COMMENT #4: Orthodontist Neil Kanning, D.M.D. voiced general opposition to the proposed rescission citing a need for truthful and honest advertising in dentistry.

RESPONSE: The Missouri Dental Board appreciates Dr. Blackburn's input regarding the proposed rescission; however the board does not agree that this rule is necessary in fulfilling the board's mission of protecting the public. Section 332.321.2(14), RSMo, prohibits dental hygienists from advertising in a way that is false, misleading, or deceptive to the public and provides examples of actions that are considered false, misleading, or deceptive. The board does not believe that the public is truly further protected by this rule beyond the protections provided in section 332.321.2(14), RSMo, against false, misleading, or deceptive advertisements. Therefore in accordance with the explicit instructions of section 3(d) of the Executive Order, the board is seeking to rescind this rule. No change has been made in response to the comment.

**Title 20—DEPARTMENT OF INSURANCE,  
FINANCIAL INSTITUTIONS AND PROFESSIONAL  
REGISTRATION  
Division 2110—Missouri Dental Board  
Chapter 2—General Rules**

**ORDER OF RULEMAKING**

By the authority vested in the Missouri Dental Board under section 332.031, RSMo 2016, the board rescinds a rule as follows:

**20 CSR 2110-2.140 Notice, Change of Employment—Dental Hygienists is rescinded.**

A notice of proposed rulemaking containing the proposed rescission was published in the *Missouri Register* on January 2, 2018 (43 MoReg 11). No changes have been made in the proposed rescission, so it is not reprinted here. This proposed rescission becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The board received one (1) comment in response to the proposed rescission.

COMMENT #1: Dr. Michael G. Durbin, on behalf of the Missouri Society of Orthodontists (MSO) as well as the American Association of Orthodontists (AAO) voiced opposition to the proposed rescission. Dr. Durbin's concerns are that rescinding the rule requiring a dentist to report to the Missouri Dental Board whenever that dentist hires a dental hygienist or a dental hygienist leaves the dentist's employment could lead to an unlicensed dental hygienist easily being hired by a dentist. Dr. Durbin also expressed concern that rescinding the rule could enable non-dentists who are providing dental services to employ a dental hygienist without the board knowing about it.

RESPONSE: The Missouri Dental Board appreciates Dr. Durbin's input regarding the proposed rescission; however, the board does not agree with his concerns. As Dr. Durbin points out in his comments, the original purpose of this rule was to insure "to dentist employing a dental hygienist that the hygienist is registered and currently licensed." This rule became effective on January 12, 1976. At that time, the only method a dentist wishing to employ a new dental hygienist had for verifying that a dental hygienist was licensed was to contact the board. Since 1976, significant technological advances have been developed, such as the internet, that now enable a dentist to verify that a dental hygienist is licensed without the necessity of making a report to the board. The rule is unnecessary and outdated due to this technology and unduly burdensome by requiring dentists to make a report that is no longer needed. As to Dr. Durbin's concern that a non-dentist entity may be illegally employing a dental hygienist without the board's knowledge, the board points out that the existing rule would not seem to address that concern as it only requires dentists employing a dental hygienist to make the required report to the board. The board thinks that it is unlikely that an entity who is attempting to illegally employ someone would make a report to the board of that intention. No change has been made in response to the comment.

**ORDER OF RULEMAKING**

By the authority vested in the Missouri Dental Board under section 332.031, RSMo 2016, the board rescinds a rule as follows:

**20 CSR 2110-2.150 Dental Practices is rescinded.**

A notice of proposed rulemaking containing the proposed rescission was published in the *Missouri Register* on January 2, 2018 (43 MoReg 11). No changes have been made in the proposed rescission, so it is not reprinted here. This proposed rescission becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The board received one (1) comment in response to the proposed rescission.

COMMENT #1: Dr. Michael G. Durbin, on behalf of the Missouri Society of Orthodontists (MSO) as well as the American Association of Orthodontists (AAO), voiced opposition to the proposed rescission. Dr. Durbin points out that the existing rule limits the ways that a dentist may practice his or her profession to sole proprietorships, partnerships, professional dental corporations, or dental limited liability companies. Dr. Durbin also expressed concern that rescinding the rule would remove requirements for how dentists name their practices.

RESPONSE: The Missouri Dental Board appreciates Dr. Durbin's input regarding the proposed rescission; however, the board does not agree with his concerns. Section 332.081, RSMo, regulates what entities may own a dental practice in Missouri such as professional corporations, not-for-profit corporations, hospitals, etc. The board does not feel that Missouri citizens are any better protected by a rule placing additional restrictions on how a dental practice is to be organized. Additionally, the board does not feel that Missouri citizens are any better protected by a rule requiring that the name of a dental practice must include a dentist's name and the degree title D.D.S. or D.M.D. This name requirement would seem to prohibit a dentist from using a more customized name such as Jefferson City Orthodontics. The board feels that the regulations and restrictions in this rule represent exactly the type of heavy handed big government over reach that Executive Order 17-03 is attempting to curtail. The board believes that this rule does not meet the criteria set forth in section 3(c) of Executive Order 17-03. Therefore in accordance with the explicit instructions of section 3(d) of the Executive Order, the board is seeking to rescind this rule. No change has been made in response to the comment.
